November 7, 2017

Dear Parents,

River Grove School is proud to sponsor a service learning project for our whole school. Our 8th grade students will take the lead collecting items to be donated to **Hines VA Fisher House** and the **Ronald McDonald House**. These organizations provide a home away from home for families who are supporting loved ones with serious medical issues. You are probably familiar with the Ronald McDonald House in Maywood (near Loyola Hospital). We are invited to visit on December 5th and bring our donation of unwrapped toys and books. Fisher House is on the Hines VA property and serves as home to those accompanying a veteran to Hines for serious medical treatment. We will visit and tour Fisher House on December 5th as well. This is a great opportunity for our students to organize a school wide collection for items that Fisher House needs most. We greatly appreciate your support with all of our projects and hope we can count on you again as we kick off our holiday service project! As always thank you for your generosity. All donations are due by Thursday, November 30th.

Sincerely,

Denise Nero
