Building and Grounds Committee Meeting

AGENDA

1) Call to Order:

Meeting was called to order at 6:03 p.m. Present were Kerry Leonard and Abraham Mora (FGM), Bob Flasz (Central Lakes Construction), Roger Glass and Michael Konwinski (Board Members) and Joseph Simpkins (Superintendent).

2) FGM – Summer Construction Projects:

Plans for summer work were reviewed and input was given before project will go out to bid. FGM and Mr. Simpkins will meet with Village Site Review Committee on January 25th. More detailed plans and drawings will be available for Board review at January 26th meeting.

3) Other Business: Bleachers/Gym Floor/Outdoor Lighting

Bleacher bids have been secured. No decisions have been made. Gym floor work may be involved in this plan. Exterior lighting concerns near Grand and River Grove Ave were discussed. We will proceed with needs assessment and recommendations as summer project evolves and we have a better idea of the scope of that work.

Discussion of possibility of having kiln used in art room – FGM to explore.

Grounds maintenance/mowing proposal reviewed.

4) Adjournment: 8:10 p.m.
